

## **Terpene Blend**

## Certificate of Analysis

Name: Lemon Jack Matrix: Terpene Blend Lot #: ABX0004119 Product#: ABXTB0080

Manufacture Date: 05/03/2022 Expiration Date: 05/03/2023 Overall Result: Pass

Test	Specification	Result		
Appearance	Colorless to yellow clear liquid	Pass		

Volumetric glassware complies with Class A tolerance requirements of ASTM E 288 and NIST Circular 434; it is calibrated before first use and recalibrated regularly in accordance with ASTM E 542 and NIST Procedure NBSIR 74-461. Balances are calibrated regularly with weights certified traceable to the NIST national mass standard. Thermometers and temperature probes are calibrated before first use and recalibrated regularly with a thermometer traceable to NIST standards. All products are prepared according to master documents that assure manufacture according to validated methods. Batch records docwnent raw material traceability and production and testing history for each lot manufactured.

This Certificate of Analysis is accurate to the best of our knowledge. However, the customer is responsible for performing its own assessment to ensure that the material is suitable for its intended applications, including compliance with all pertinent legal requirements. The expected shelf life is calculated from the original manufacture date and is based on unopened containers stored under proper conditions. Once containers have been opened, maintaining minimal headspace and storing under appropriate conditions will aid in preserving the product's integrity.
